

# Memorandum

**To: PERSON OWNING OR RENTING PARCEL/DWELLING**

**From: CITY OF VISTA AND BUENA SANITATION DISTRICT**

**Date: APRIL 7, 2008**

**RE: RESPONSIBILITY OF DISTRICT FOR MAINTENANCE OF SEWER SYSTEM (City Ordinance 78, Sections 2.13 and 9.10)**

---

The City of Vista Wastewater Division and the Buena Sanitation District shall be responsible for maintenance and cleaning of the trunk line sewers per City Ordinance 78 as follows:

**City Ordinance 78, Section 2.13 - Sewer Service Lateral**

This shall mean the portion of line which connects the house sewer to the trunk line but runs across public right-of-way. A sewer service lateral shall serve only one parcel with the exception of condominium developments. In some instances, such as apartment buildings and shopping centers, two or more laterals may be required to serve a single parcel.

**City Ordinance 78, Section 9.10 - Responsibility of District for Maintenance of Sewerage System**

The District shall be responsible for maintenance and cleaning of the trunk line sewers. The maintenance and cleaning of house sewers and laterals shall be the responsibility of the person owning or occupying the parcel, which is served by the said house sewer and lateral.

If you have any questions regarding this ordinance, please call Public Works (760) 643-5468.

Thank you.
