

# Host a JFS Safe Parking Program Dinner

Come together as a community and help change lives!

Moving Forward  
Together

Join us in spreading kindness and compassion throughout our community by hosting a dinner for JFS Safe Parking Program participants. For many San Diegans experiencing homelessness, a warm meal and friendly company go a long way as they work to lift themselves up out of a difficult situation and get back on steady ground.

## Two Ways to Participate

Together, we can show our Safe Parking Program participants that there is a community that cares for them. Gather your family, friends, colleagues, team or club to provide and serve dinners at one of our Safe Parking Lots located throughout San Diego and North County. Experience hands-on the meaningful difference your donation makes as you and your group provide vital nutrition assistance to your neighbors.

### 1. Donate & Drop Off

- **Donate** individually packaged meals, prepared in a commercial kitchen.
- **Drop off** with peace of mind knowing you're making a meaningful difference.

### 2. Donate & Serve

- **Donate** individually packaged meals or catering trays prepared in a commercial kitchen.
- **Serve** your dinner from 6:00pm to 7:30pm. Ideal for groups of 5-10 people.

The Safe Parking Program provides a safe and welcoming space for individuals and families living out of their cars to park each night, many of whom are experiencing homelessness for the first time. With supportive services, we create a pathway out of homelessness and help Safe Parking participants return to stable housing.
