Cardiac and Vascular Disease Services

Heart disease remains the number one killer in the U.S.

At VCC: Vale Terrace, you can receive expert cardiology consultation and management of cardiovascular disease for:

- Heart Valve Replacement
- Wound Care & Amputation Prevention
- Heart Failure Management & Prevention
- Wellness Center
- Heartbeat Rhythm Evaluation
- Hypertension (High Blood Pressure)
- Heart Disease
- Prevention & Treatment of Coronary Disease
- Access to State of the Art Diagnostic Testing

For your convenience we offer:

- Virtual and on-site appointment options
- Staff fluent in English and Spanish

Payment Options:

- Medi-Cal and most private insurances accepted
- Sliding fee scale for uninsured patients

A note to our patients during COVID-19:

In order to minimize contact during COVID-19, you maybe eligible for a Telehealth appointment by phone. This will remain in effect during the COVID-19 pandemic. Please speak to your healthcare team member if you have any concerns regarding care. We are here to help you.
