# VCC: Durian Pediatrics

## Why Choose VCC: Durian?

At VCC: Durian, your children's physical and emotional wellbeing are our top priorities. We are dedicated to supporting healthy families, from birth up to adulthood. You can rely on us to give the best care that youngsters need at every stage of growth and development.

Dr. Hartford, and staff (*pictured above*), have extensive experience in pediatrics. Dr. Hartford's background as a Doctor of Osteopathic Medicine (D.O.) allows her to focus on more than just treating symptoms. She believes it is important to listen to each patient in order to create a collaborative approach to healthcare that includes the patient in the decision making process. Dr. Hartford and the rest of the staff at your new VCC: Durian office are here to help you choose health.

VCC: Durian Pediatrics is part of Vista Community Clinic (VCC), known in the region for its high quality health services.

Count on us for the best care for your children at every stage of growth and development.

At VCC: Durian, care is personalized to address the health care needs of each child, from birth up to adulthood.
