Are you turning 65 or older?

VCC offers assistance with Medicare signup to those turning 65 and older. Simply call us at 844-308-5003 x 7190 or text us at 760-492-6669 to start the process.

As a VCC patient, you are eligible to meet with a Licensed Medicare Broker at no cost to you. This free service gives you the hands on support of an independent advisor to help you understand eligibility, coverage choices, and plan enrollment.

Get the option to meet in person or through virtual services, and successfully navigate the system and complete the forms you need on time.

You have the power to choose health.

At VCC we excel at personalized care for every age. As you age, your health needs more attention, and VCC is here to help. Our clinics offer multiple care services under one roof.
