**MEET THE STAFF**

**Ethan Carpenter  
Camp Counselor**

Hello, I'm Mr. Ethan. I'm excited to be back at camp for a second year. Basketball and Soccer relays to Car Lot and Four Corners—this summer will have a bit of everything! I look forward to seeing last years campers and meeting the new campers. In my free time I enjoy being active, hanging out with family and friends. Let's go summer 2024!

**CHILD DEVELOPMENT**

Between ages of 10 and 13 kids start valuing friends opinions; share secrets and inside jokes. Develop a better sense of responsibility and help out around the house. Development during this period will center on how children process language, literacy and creative arts. They will move from always viewing something in a concrete way (just the facts) to being able to look at things with an abstract approach (having multiple meanings).
