In addition, the City may, from time-to-time, remove older comments or posts.

Any person commenting or posting to an account is solely responsible for his or her comments or posts, his or her username, and any information provided. Comments and posts to this account by members of the public do not reflect the opinions of the City, its officers, or employees. The City does not endorse, and disclaims liability for advertisements, videos, promoted content, or comments accessible from any external web page. Any content posted to this account is potentially available for immediate public viewing and may be further released to members of the public on request without prior notice to the party making the comment or post.

The account does function as a portal for official notices to the City, communications with the City, claims against the City, or any service of process on the City. All such notices and communications may only be provided and delivered to the City in the manner described by applicable law, regulation, or contract.
